

## Patents

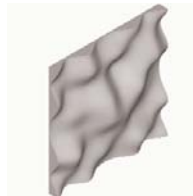

### Slotted FlutterFree®:

Sound Diffusor with Low frequency Sound Absorption and Method- Pending

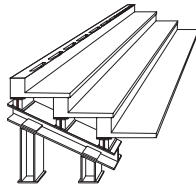

### BAD™ Panel:

October 6, 1998: No. 5,817,992 Planar binary amplitude diffusor

### Modffusor™, Waveform Spline™, Waveform Bicubic™:

August 10, 2004: No. 6,772,859 Embodiments of Aperiodic Tiling of a Single Asymmetric Diffusive Base Shape.

### SilentSteps™:

August 4, 1998: No. 5,787,656 Acoustical seating risers for indoor arenas

### Motorized Triffusor®:

August 13, 2002: No. 6,431,312 B1 Motorized and Computer Operated Variable Acoustics Treatment

### ProFoam®:

September 9, 1997: No. 5,665,943 Nestable sound absorbing foam with reduced area of attachment

### Curved BAD™ Panel and DigiWave™:

September 5, 2000: No. 6,112,852 Acoustical Treatments with Diffusive and Absorptive Properties and Process of Design

### Skyline®:

March 28, 1995: No. 5,401,921 Two-dimensional primitive root diffusor

**DiffusorBlox®:**

March 7, 1995: 2, 027, 658; July 13, 1993: No. 5,226,267; March 16, 1993: 5,193,318; July 2, 1991: 5,027,920; October 23, 1990: 4,964,486 Acoustical diffusing and absorbing cinder blocks

**Abffusor®**

April 18, 1989: No. 4,821,839 Sound absorbing diffusor

**QRD®:**

August 25, 1987: No. D291,601 Acoustical baffle

**VAMPS®:**

December 1, 1992: No.5,168,129 Variable acoustics modular performance shell

**Diffractal®:**

March 7, 1995: No. 2, 027, 658; July 2, 1991: No. 5,027,920; October 23, 1990: No. 4,964,486 Broadbandwidth Nested Diffusor

**Omniffusor™:**

March 20, 1990, No. D306,764 Acoustical baffle

**Registered Trademarks**
